

VIA ARNALDO BRIONI

ALLEGATO 1 - DISCIPLINA DELLA CIRCOLAZIONE E DELLA SOSTA

The image displays a horizontal row of twelve geometric shapes, each consisting of two thin black outlines. The shapes are arranged from left to right as follows: A (an inverted V), B (a vertical T), C (an upward-pointing triangle with a horizontal base), D (a vertical rectangle with a horizontal top edge), E (a vertical rectangle with a horizontal middle line), F (a vertical rectangle with a horizontal bottom edge), G (a vertical rectangle with a horizontal middle line and a small vertical line extending from the top edge), H (a vertical rectangle with a horizontal middle line and a small vertical line extending from the bottom edge), I (a downward-pointing triangle with a horizontal base), J (a vertical rectangle with rounded corners), K (a vertical rectangle with rounded corners and a small vertical line extending from the top edge), and L (a vertical rectangle with rounded corners and a small vertical line extending from the bottom edge).
